"I am a proud member of the PTA, and I hope that parents throughout the state get involved with this wonderful organization at their local schools."

– Jack O'Connell, California Superintendent of Public Instruction

Join the fight for our children's future!

California State PTA, the state's largest children's advocacy organization, is proud to lead the battle to provide all children the education and opportunities they need to succeed.

This is a critical moment.

Budget cuts threaten an entire generation of children, and none of us can sit on the sidelines.

It is time for everyone who cares about the future of our children – and the future of California – to join with us.

Please join your local PTA.

If you don't know of a PTA to join near you, you can join Golden State PTA at <http://www.capta.org/sections/membership/join-support.cfm>. (The cost of a Golden State membership is just \$10 a year.)

Or visit <http://www.capta.org/sections/membership/join-support.cfm> to see how you can join PTA!

Anyone who cares about children and youth is welcome.

Many people may be just waiting to be asked to join. Make the offer personal, and click [here](#) to forward this e-mail!
