

## CUT\$ HURT KIDS – SONG

If you're mad about the gridlock - clap your hands  
If you're mad about the games - clap your hands  
If you're mad about the budget, 'cause all they do is fudge it  
If you're mad about decisions - clap your hands

If you're mad about the layoffs - stomp your feet  
If you're mad about the cuts - stomp your feet  
If you're mad about the bungling, which affects school funding  
If you're mad about decisions - stomp your feet

If you're mad with larger classes - shout, "NO MORE!"  
If you're mad with losing arts - shout, "NO MORE!"  
If you're mad with less and less, because it's such a mess  
If you're mad about decisions - shout, "NO MORE!"

If you're mad about the cuts - do all three  
If you're mad about deferrals - do all three  
If you're mad about the pending Prop 98 suspending  
If you're mad about decisions - do all three

We are speaking up for kids – PTA (*raise signs & shout PTA!*)
