NCLB Reauthorization, Title 1 Draft Released: Your Comments Needed

Representatives George Miller and Howard "Buck" McKeon, Chairman and Ranking Member of the Committee on Education and Labor, released a staff discussion draft of Title I of the Elementary and Secondary Education Act. This draft was developed through input received at nearly two dozen Congressional hearings and many discussions with education organizations and concerned citizens. The Committee welcomes and encourages comments on this discussion draft. Please send any comments to ESEA.Comments@mail.house.gov.
