Welcome to _____ PTA/PTSA!
Your PTA name here

Thank you for your commitment to the children at our school, California, and across the nation. PTA is the oldest and largest volunteer association working exclusively on behalf of all children and youth. You have joined millions of dedicated and caring members who share a commitment to children and education. PTA appreciates your support and invites you to take advantage of all the benefits that your PTA membership provides you.

National PTA sends out e-newsletters to its members to keep them updated on national resources and information. You will receive a welcome letter and the opportunity to receive parent resources, advocacy information, legislation updates, and valuable retail and consumer discounts and services.

As a member, you will receive:

- Expert parenting resources to help manage your family's needs,
- The latest news and information on relevant topics and legislative matters,
- Easy tools to connect with Congress and legislators for action on issues important to children, school and families, and
- Information on member benefits provided by our national partners and sponsors.

You will automatically receive these e-newsletters and e-mails through the e-mail address that you provide. However, if you do not want to receive them, you can use the "unsubscribe" link to unsubscribe from each e-newsletter. From time to time, our national sponsors and partners provide member benefits through mail. If you wish to not receive these mailings, please contact the national Information Center at info@pta.org or by calling 800-307-4782.

It is important to know that state PTAs and National PTA need to collect contact information on all PTA members within our service boundaries in order to comply with corporate law for nonprofit organizations. As a member, your address information will be shared with the California State PTA and National PTA in the Online Membership Data Reporting database (OMDR) but will be used only for PTA purposes. PTA protects the database with privacy protection programs and will not sell or rent member information to telemarketers, mailing list brokers, or any other companies unless they have contracted with National PTA for member services or benefits.

Thank you for joining PTA. Our PTA values your commitment and we look forward to helping you get the most out of your membership so that all students at our school and across the nation will benefit.
