

# 2010 Graduating high school student scholarship recipients

California State PTA would like to offer congratulations and best wishes for success to the following graduating high school seniors who have each been awarded a \$500 scholarship.

These scholarships are made possible through the California State PTA Honorary Service Awards program, which allows local units, councils, and PTA districts to honor their volunteers with certificates and awards purchased from California State PTA. The award purchases in turn fund the California State PTA Scholarship and Grant budget.

Congratulations, seniors and congratulations to each individual who received an Honorary Service Award this year!
