April 29 - May 2, 2010

111th Annual
CONVENTION
Sacramento, California

California State PTA

2010 MEMBERSHIP AWARDS

Last year at the 2009 convention, units, councils and districts were challenged to increase their membership by 5 percent. We are delighted that so many of our district PTAs have set various challenges within their own districts and recognize the winners at local events. The 2009 - 2010 state challenge of a 5 percent increase in membership has been met 1,345 unit PTAs.

There are **172** council PTAs in California and they were also challenged to increase their membership this year by 5 percent. Of these councils, **41** met this challenge.

Each of these challenge award winning unit and council PTAs will receive an award certificate from the California State PTA.

To encourage a continued membership effort into the new year, President Jo Loss, issued a mid-year membership challenge in January to add 10 more members before the end of March so that those members could be part of the membership totals recognized here at convention. More than 800 units met that challenge, many with far more than the requested 10 more members. The California State PTA appreciates all those PTAs who made an effort to grow by 10 in 2010 ... and who continue to promote membership all year long.

2010 MEMBERSHIP AWARDS

The Membership Challenge for units, councils and districts for 2009-10 was a 5 percent growth in membership. The certificates for those units and councils who earned that recognition will be mailed to district PTAs to distribute in the beginning of May.

The names of the qualifiers for the annual challenge and the president's midyear challenge of "+10 in 2010" (for units that added 10 more members since the beginning of 2010) will be scrolled on the screens during a convention general meeting.

Neither the Membership Challenge nor the "+10 in 2010" midyear challenge qualifiers will be known in time to be included in this program book because they are based on membership remittances sent through channels and postmarked by March 31.

The following units earned either one or both of the Early Bird and Chairman's Club awards, so designated by EB and CC, respectively, after their names.

Congratulations, and thank you!

Early Bird = 2,048 Units

Chairman's Club = 2,043 Units
