

Golden State PTA -

Everyone who cares about children is invited to join the Golden State PTA.

Golden State PTA provides an opportunity for PTA membership to those who may not have an affiliation with a local PTA or to those who wish to support the work of the organization.

BE A VOICE

- ✓ When you become a member of Golden State PTA, you join with California's statewide membership of nearly one million who care about the education, health and well being of children and youth.
- ✓ Membership in Golden State PTA provides resources to the **California State PTA Scholarship and Grant** fund through an annual donation. This continuing education program is accessed through application and is available to graduating high school seniors, teachers, counselors, school nurses, and PTA volunteers. Recipients must be PTA members.
- ✓ Keep up to date on what's happening in the California State PTA by subscribing to the print issue of *PTA in California*, the official California State PTA newsletter. It is also posted online.
- ✓ Participate in advocacy efforts and stay informed on state and federal legislation issues. Enroll to receive California State PTA and National PTA advocacy newsletters electronically by visiting these websites:
