

You are invited to make a difference in the lives of all children by joining PTA.

The number one priority for parents is their children's well-being. More than 30 years' worth of research has proven that children do better when their parents are involved both at home and at school. Grades and test scores climb. Self-esteem grows. Schools improve.

There's a simple way for *you* to help your child – and all children – succeed: Join PTA. PTA helps parents, students, school staff, and the community work together to share ideas about programs and activities that benefit children. Our PTA provides information and resources that strengthen the connections between children, parents, schools, and the community.

Membership is open to all community members, because the well-being of children is crucial to the well-being of the entire community.

Please reply so that we can count on your voice on behalf of children.
