

July 2011

Here it is – the newly revised *California State PTA Toolkit*!

The *California State PTA Toolkit* provides guidance, instruction and ideas to ensure a successful term as a PTA officer or chairman. You will discover valuable information to assist your PTA/PTSA with the important work that you do on behalf of children and families.

Many of your questions and concerns can be answered here in just one place.

The *California State PTA Toolkit* is designed to be shared; additional print or CD-ROM copies may be purchased.

You can also find the *Toolkit* in English and in Spanish online at www.capta.org. Just type in “Toolkit” in the search section in the upper right corner of the website.

Remember, if you can’t find it in the *Toolkit*, you always have the safety net of your council, district or state PTA to answer your questions. Don’t hesitate to contact them.

Please take advantage of this resource as you plan, implement and evaluate the work of your local PTA.

This edition of the *Toolkit* reflects the hard work and effort of the California State PTA Board of Managers to create the best possible resource for you. It is based on more than 100 years of best practices by PTAs around our state.

Your input regarding your PTA needs is invaluable, and your help is necessary in continuing to make this and all PTA materials useful and pertinent.

Please contact us – at info@capta.org; 916.440.1985; or at 2327 L Street, Sacramento, CA 95816 – with ideas, suggestions and comments so that the *Toolkit* contains the appropriate material and is in the right format to meet your needs.

Thank you for everything that you do each day to enhance the lives of California’s children and families. You do make a difference!

Sincerely,

Carol Kocivar

President

Suggestions for Use

The *California State PTA Toolkit* provides guidance, instruction, and ideas for ensuring a successful term as a PTA officer or chairman. One copy of the publication is sent to each PTA president in California when published. The *California State PTA Toolkit* is designed to be shared; additional print or CD-ROM copies may be purchased. The *Toolkit*, English and Spanish, is posted on the California State PTA website, www.capta.org.

Chapters, sections, subsections, figures, and forms each are numbered in a unique way to facilitate finding specific information. Cross-references have been made throughout the book to identify related information on particular topics.

For example, Sample Letters are 3.4.2, Figs. 3-1 – 3-5. The reference 3.4.2 means that one will find them in Chapter 3: Membership; Section 4: Building PTA Membership; Subsection 2: Creating a Welcome Packet. The notation Figs. 3-1 – 3-5 means that five sample letters are provided within Chapter 3 to assist with membership recruitment.

Many chapters refer to PTA forms, applications or brochures to copy. These items will be found in Chapter 9: Forms under the “Forms” tab in subject order. Refer to the Summer Service Mailing CD for “fill in the blank” electronic forms. When using the electronic version print two copies, one to forward and one to retain. The electronic file with entered data cannot be saved unless one has the program.

Presidents are encouraged to photocopy the full table of contents, index, and relevant sections for their officers and chairmen.

If leaders have any questions or suggestions regarding the *California State PTA Toolkit*, please contact the California State PTA Vice President for Member Services at memberservices@capta.org.

To purchase additional copies of the *California State PTA Toolkit*, consult the *List of PTA Materials* or call 916.440.1985.
